

TYGRESS HOPE

Mental Health Professional | Resource Coordinator | Community Leader

BIOGRAPHY

Ms. Tygress Hope is a purpose-driven community leader, advocate, and servant at heart who is committed to uplifting lives and strengthening communities through compassion and empowerment. As the Chapter Founder of Benevolent Beautiez Social Club of Augusta, she leads with vision and intention, creating spaces where service, sisterhood, and impact intersect.

With over 25 years of dedicated community service, Tygress has cultivated a legacy rooted in diversity, inclusion and advocacy. She has 16 years of service in the mental and behavioral health field where she currently works as an Activity Therapist for East Central Regional Hospital using therapeutic programming to restore dignity, inspire self-expression, and foster meaningful human connection among individuals navigating mental health challenges.

Tygress currently continues her mission as the Resource Coordinator for Manhood and Womanhood Tour, connecting individuals and families to essential resources that empower growth and promote lasting change. She is a proud member of the Order of the Eastern Star, an organization grounded in charity, loving-kindness, and moral, educational, and fraternal principles. These values reflect how she lives, lead and serves every day.

Her life's work is a testament to purpose in motion, driven by passion, guided by faith, and anchored in an unwavering commitment to make a difference.
